

STUDENT TECHNOLOGY RESOURCES

myCommNet

For access to all of your computing needs at MxCC, enter your **NetID** and **password** to log on to myCommNet at **my.commmnet.edu**. myCommNet gives you access to:

- Final grades, registration, transcripts, course searches, textbooks, course evaluation,
- Online courses and on-ground courses that use Blackboard Vista,
- Financial aid awards and history and billing records and history,
- Library database access from off-campus, and more!

Blackboard Vista site: Virtual Campus

MxCC's Virtual site for information on campus events and announcements, Blackboard orientation and tools practice areas, and links to tutoring and MxCC services!

1. Log in at **my.commmnet.edu** with **NetID** and **password**.
2. Click on the **BlackBoard Vista** icon. Popup blockers need to be disabled.
4. Click **MxCC- Virtual Campus- Campus Activities and Blackboard Orientations**.

eTutoring- free online tutoring!

Stuck on a math problem? Need an expert to help you with your research paper? Having trouble with your homework? eTutoring is available in Math, Writing (all subject areas), Accounting, Statistics, Biology, Chemistry, and Anatomy & Physiology.

To access this service, log onto **http://www.etutoring.org**, click on **Login Now**. Select **Northeast Tutoring Consortium**, select **Middlesex Community College (CT)**, and create your account. For more information, contact the Learning Center at 860-343-5770.

Campus Computer Labs

Computer labs are available on the Middletown and Meriden campuses. Computer lab hours are determined each semester and open hours are posted in labs. Computers can be used by any student who has an active **NetID** and **password**.

Middletown:

Wheaton 305– Open Computer Lab with PCs and Macs

Snow 412– Open Mac Lab

Chapman– Located in the Jean Burr Smith Library– Open Lab with PCs and Macs

Wireless connection is available in the Student Lounge in Founders Hall for students with laptops that are capable of wireless connectivity.

Meriden:

Room 404 and Room 407

Wireless connection is available in the 5th floor student lounges in Meriden for students with laptops that are capable of wireless connectivity.

Blackboard Vista site: Research Help

Every MxCC student and instructor is enrolled in the Blackboard Vista course **MxCC – Library – Research Help**. Here you can find:

- How to access the library resources from home
- Information about library services for distance learners
- Online research tutorials
- How to contact the library for help

Here's how:

- Login at **my.commmnet.edu** with **NetID** and **password**.
- Click on the **Blackboard Vista** icon. Popup blockers need to be disabled.
- Click on **MxCC – Library – Research help**
